

Instructions for poster authors:

All posters will be presented in a “paper” format (printed posters) – This format is mandatory for all poster authors.

Posters **must be in a portrait-oriented – A0 format is recommended (width × height) (841 × 1189 mm/ 33.1 × 46.8 in)**, which will be displayed on the poster boards in the Poster Area.

Posters will be displayed throughout the whole conference.

- The visual display area is: **950 × 1700 mm**.
- Fixing material (hook and loop fasteners/Velcro stickers and pins) will be available in the Poster Area. Conference staff will be available to assist you during the time of poster mounting.
- The poster boards will be numbered by the organizers and grouped by topic.
- The surface of the poster board is made of carpet material.

The number of your poster can be found in the [List of posters](#).

The presentation number assigned to your poster should not be placed on your poster.

Poster creation

The header of the Conference can be downloaded [here](#) ([JPG format](#), [PDF format](#)), and the instructions on layout, font style, and margins are in the attached preview. The [pre-view](#) is informative only. The text, illustrations, etc. should be big enough to be read from a distance of 1.5 meters, and the message of the poster should be clear and understandable **Please pay particular attention to font size and avoid using text that is too small to be easily read by the audience.**

Please print your poster and bring it with you to the Conference. No poster printing service is provided by the organizers.

Please **DO NOT** prepare a landscape poster.

Posters mounting and removal times

The poster sections will alternate on individual days. There will be three sections in total. The specific location of your poster will be indicated in the [List of posters](#).
